MODIFICATION WARNING

⚠ WARNING

Do not modify this vehicle. Modification could adversely affect safety, handling, performance, or durability and may contravene regulations. In addition, damage or performance problems resulting from modification may not be covered under warranty.

⚠ WARNING

Your vehicle has monocoque body construction which provides for certain crumple zones in the body which absorbs larger part of impact energy in the event of a front collision and protects the occupants from impact. Do not use any fitments such as crash guards. These fitments will increase the risk to the occupants because of the shock directly getting transmitted to the occupants.

CAUTION

Improper installation of mobile communication equipment such as cellular telephones or CB (Citizen's Band) radios may cause electronic interference with your vehicle's ignition system, resulting in vehicle performance problems. Consult your MARUTI dealer or qualified service technician for advice on installing such mobile communication equipment.
